The Banjo Cruise is a 5-day cruise with the workshops and classes being held when the boat is at sea. This way the workshops will not conflict with the ship's itinerary or the ports visited leaving plenty of time for fun with your spouse, family or friends.

***It's very important to me that the workshops be a fun and supportive environment for all. I know you will be happy if you attend. What's not to like? A beautiful setting, luxury accommodations and the banjo instruction you need to move forward and progress throughout the year. Ross Nickerson***
